1.1 Purpose

This By-law is enacted for the purpose of imposing fees and charges pursuant to Part XII of the *Municipal Act, 2001*, Section 69 of the *Planning Act* and other statutes, regulations, and enactments under which the Municipality is entitled to impose fees and charges.

1.2 Schedules – References to other By-laws

Each Schedule to this By-law is an integral part of this By-law. Where the Schedules to this By-law reference other By-laws in relation to Fees and Charges imposed hereunder, the terms and provisions of such other By-laws shall apply to the Fees and Charges imposed hereunder, provided that, where there is a discrepancy in the stated amount of any such Fee or Charge between such other By-laws and this By-law, the Fees and Charges set forth in the Schedules shall govern and any inconsistent By-laws shall be amended accordingly.

1.3 Severability

Each Fee and Charge enacted pursuant to this By-law shall be treated as a separate enactment, and shall not necessarily be affected by any determination of ultra vires or other invalidity of any other Fee and Charge enacted pursuant to this By-law.

1.4 Absence from this By-law

If Fees and Charges have been validly enacted under another By-law of the Municipality, the absence of such Fees and Charges from this By-law shall not affect the validity of such other Fees and Charges.

Section 2 FEES AND CHARGES

The Fees and Charges described in the attached Schedules are hereby imposed in respect of:

- (a) The services or activities provided or done by or on behalf of the municipality as may be set forth in the Schedules;

2.4 Fees and Charges – Time of Payment

Except where a contrary intention appears in the Schedules or in any other City By-law relating thereto, or in the contract under which the service, activity, or use of property is provided, all Fees and Charges shall be paid in full at the earlier of the following times:

2.9 Reduction or Waiver – Fees – General

Where Council determines that the waiver or reduction of any Fee or Charge provided herein, other than a Planning Fee, is in the best interest of the City, Council may:
