### **1.2 Schedules – References to other By-laws**

The Schedule to this By-law is an integral part of this By-law. Where the Schedule to this By-law references other By-laws in relation to Fees and Charges imposed hereunder, the terms and provisions of such other By-laws shall apply to the Fees and Charges imposed hereunder, provided that, where there is a discrepancy in the stated amount of any such Fee or Charge between such other By-laws and this By-law, the Fees and Charges set forth in the Schedule shall govern and any inconsistent By-laws shall be amended accordingly.

### **1.3 Severability**

Each Fee and Charge enacted pursuant to this By-law shall be treated as a separate enactment, and shall not necessarily be affected by any determination of ultra vires or other invalidity of any other Fee and Charge enacted pursuant to this By-law.

### **1.4 Absence from this By-law**

If Fees and Charges have been validly enacted under another By-law of the Municipality, the absence of such Fees and Charges from this By-law shall not affect the validity of such other Fees and Charges.
